

Roundtable for Incubator/Residency Programs

ABA/NLADA Equal Justice Conference

Friday, May 10, 2013

1:30 pm—5:00 pm

Join us for a roundtable discussion of issues pertinent to incubator and residency programs advanced by law schools and bar organizations designed to enable recently-admitted lawyers to gain the skills necessary for successful law practices serving those with community and personal legal needs.

The program invites those who are both planning and operating incubator and residency programs, law school administrators, faculty, bar leaders and others interested in fostering resources to support these programs.

Registration Information: Those not otherwise registered for the Equal Justice Conference may attend the roundtable by registering at the conference day-rate of \$175. Registrants are entitled to a continental breakfast, morning workshop sessions, including a session on incubator programs, and lunch, in addition to the roundtable.
